Speed Benchmarking Networking Activity (no additional fee)

Speed Benchmarking is an interactive activity that will occur for 30 minutes at the end of the lunch hour on Friday (10/25) and Saturday (10/26). During this activity, you will be grouped with other individuals interested in a particular topic area to discuss your work in the area or reactions to the LEC talks on the topic. You can sign up for this activity one day, both days, or neither of the days. If you do not attend on a particular day, you will have an extended lunch break instead.

Would you like to attend Speed Benchmarking? yes no

Which day(s) do you wish to participate? Friday, October 25 Saturday, October 26 Both

Select your top three (3) topic interest areas in order of importance.

- ___ Mobile assessment innovations
- ___ Gamification, games, and simulations
- ___ Artificial intelligence and machine learning in selection
- ___ Big data in selection
- ___ Understanding and enhancing the candidate experience
- ___ Data privacy and GDPR
- ___ Legal updates (e.g., Principles revision, recent case law)
- ___ Advances in the measurement science of assessment (e.g., new measures, item formats)
- ___ Determining and explaining the value assessments to business stakeholders
- ___ Assessments for coaching and development
- ___ Developmental assessment centers

To receive the group rates, which start at \$199/night, hotel reservations should be made directly with the Loews Hotel in Atlanta, Georgia. Consortium registration includes educational programming plus breakfast and lunch on Friday and Saturday, breaks, and welcome reception on Thursday evening.
