

Draft in Progress of the Proposal for a Re-Designed Educators Page on the SIOP Website

Scott Tonidandel, Sub-Committee Chair

Tim Huelsman

Mike Ford

Structure of the Main page:

6 Major Headings:

What is I/O Psychology

The SIOP Teaching Wiki

Undergraduate Teaching Resources

Master's Teaching Resources

Doctoral Teaching Resources

General Teaching Resources

Info to be included within each of these sections is compiled below.

What is I/O Psychology

SIOP Informational Brochure Information:

<http://www.siop.org/visibilitybrochure/visibility.aspx>

SIOP's modules for Teaching I/O Psychology: <http://www.siop.org/Instruct/inGuide.aspx>

The SIOP Teaching Wiki

No materials here other than taking folks to the wiki. We did discuss creating a Wiki banner ad on the right side of the educators page.

Undergraduate Teaching Resources (Compiled by Tim Huelsman)

Introductory Modules for I-O Psychology (<http://www.siop.org/Instruct/inGuide.aspx>)

Graduate Training Programs in Industrial-Organizational Psychology and Related Fields
(<http://www.siop.org/gtp/Default.aspx>)

Dr. Patrick McCarthy's I/O Notes and Documents: http://frank.mtsu.edu/~pmccarth/io_nts2.htm (lots of good stuff here but does this fit better on the Wiki since note a vetted site like other ones?)

Links to SIOP conference symposiums/papers related to undergrad teaching (or perhaps they are all listed together on general teaching link – see below under general teaching resources).

TIP articles that focus on undergrad education (or perhaps they are all listed together on general teaching link – see below under general teaching resources).

Examples:

- Everton, W. (2010, January). “Don’t sleep in class” and other student advice. *The Industrial-Organizational Psychologist*, 47 (3), 21-24.

Doctoral Teaching Resources (Compiled by Mike Ford)

Guidelines for Education and Training at the Doctoral Level : <http://www.siop.org/PhDGuidelines98.aspx>

- Reformat this page to include and outline at the top with links to each section and an option to go back to the top
- Font should be consistent or follow some common format
- Links should include:
 - Purpose of the Guidelines
 - Perspective of the Guidelines
 - The Scientist-Practitioner Model
 - Identifying the Competencies
 - Related omitted competencies
 - Recommended domains
 - Table 1: Areas of Competence to be Developed in Doctoral Level I-O Psychology Programs
 - General Areas of Competence (go to competency 1)
 - Areas of Competence unique to I-O Psychology (go to 7)
 - Table 2: Strategies for Building Competence
 - Formal Course Work
 - Independent Readings/Study
 - Supervised Experience
 - On-the-job Training
 - Modeling/Observation
 - Summary
 - Table 3: Linking Competencies to Strategies
 - References

Course Materials

We could send people to the wiki or we could break set up separate links here to go to doctoral level class on the topics (some suggestions are below).

- Sample Core Course Syllabi- direct to the Wiki
 - Personnel/Industrial Psychology
 - Organizational Psychology
 - Work Motivation
 - Leadership
 - Personnel Selection
 - Performance Appraisal
 - Personnel Training
 - Job Attitudes
 - Groups and Teams
- Reading lists- can we find lists for these topics? Should this go to the Wiki?
 - Personnel Selection
 - Work Motivation
 - Job Performance

- Performance Appraisal
- Personnel Training
- Job Attitudes
- Groups and Teams
- Doctoral level in-class exercises- Wiki?
- Doctoral level class project examples- direct to Wiki?
