

A Winning Combination.

Provide innovative solutions in less time by combining your expertise with IPAT's in the areas of:

Talent Management Consulting

Tap into IPAT's proficiency in personality-based job analyses, local validation and norming research, and web-based scoring and integration services.

HR Assessments and Reports

Enhance your deliverable with sound assessment tools from IPAT — from multi-application 16PF® reports to specialty reports for leadership coaching, career development, or selection of personnel in high-risk occupations.

Certification Training

Learn proven strategies and techniques to identify, develop, place, and retain high-potential employees as you earn specialty certification and CE hours.

Tailored Assessment Systems

Using our database of pre-validated scales and algorithms, IPAT can quickly develop scientifically-sound assessments, including international versions, that are tailored to your specific application.

Learn more about our new custom solutions including:

- 16PF reports that complement 360-degree assessments
- Behavioral Interview Guides generated by 16PF responses
- Web-based Talent Management Guides that match people to positions and identify viable career paths
