

# Blueprint for Change

The HSI Circumplex is the only tool you need to initiate, guide and monitor successful organizational change programs. You can use our Circumplex-based surveys to:

- Develop and motivate members (*Life Styles Inventory™*)
- Improve teamwork and group problem solving (*Group Styles Inventory™*)
- Coach and transform managers (*Leadership/Impact® and Acumen WorkStyles™*)
- Move culture from Defensive to Constructive (*Organizational Culture Inventory®*)

Call one of our offices and find out how.
