

Call for Submissions to the 2007 APA Convention

Tahira M. Probst
Washington State University-Vancouver

Online Call for Submissions Open Until Friday, December 1, 2006

Calling all SIOP members! We want your submissions to the 2007 APA Convention to be held in fantastic San Francisco, CA, from Friday, August 17 to Monday, August 20. We hope the 2007 convention will see the best participation by Division 14 yet.

As you may recall, this year for the first time you were able to choose whether you wanted your SIOP conference submission to be considered for presentation at APA. If you selected that option and your submission is accepted for presentation at APA, we will be getting in touch with you in December, after the SIOP conference submission decisions are finalized. You do not need to resubmit your proposal again to APA.

If you did not submit anything to APA during the SIOP submission process, you can still participate in the APA convention! The SIOP program at APA will be created from your submissions of posters, symposia, tutorials, conversation hours, panel discussions, and other formats you wish to propose. Individual paper presentation submissions may be combined with other papers to form paper sessions on a common topic. Cross-cutting proposals from multiple divisions are especially encouraged to facilitate interaction between SIOP and other APA divisions.

For the complete Call for Proposals and guidelines for submission formats, visit the APA Convention Web site: www.apa.org/convention. All submissions must be received online via the APA Web site by Friday, **December 1, 2006** to be considered for acceptance. Submissions will be considered from APA and/or SIOP members or from individuals sponsored by an APA or SIOP member.

Questions may be directed to the Division 14 Program Chair, Tahira Probst, at probst@vancouver.wsu.edu.
