

22nd Annual Lee Hakel Industrial-Organizational Psychology Doctoral Consortium

**John Hunthausen
Microsoft Corporation**

**Kenneth Yusko
Marymount University**

The 22nd Annual Lee Hakel Industrial-Organizational Psychology Doctoral Consortium will be held Thursday, April 26, 2007 in New York at the Marriott Marquis Hotel. As is tradition, the doctoral consortium will precede the annual SIOP conference, which begins on April 27 and runs through April 29. The consortium will include an impressive lineup of speakers chosen for their outstanding contributions to the field. The speakers will include practitioners and academics with unique perspectives on the opportunities and challenges faced by I-O psychologists today.

In December 2006, each doctoral program will be sent registration materials for the consortium. Enrollment will be limited to one student per program, up to a maximum of 40 participants. We encourage faculty to make student nominations as soon as registration materials arrive because students are enrolled in the order that completed applications are received. The fee for participants is approximately \$60.

The consortium is designed for upper-level students nearing the completion of their doctorates. Most participants will be graduate students in I-O psychology or HR/OB who are currently working on their dissertations. Preference will be given to nominees who meet these criteria and have not attended previous consortia. If you need additional information, please contact Kenneth Yusko at yuskogroup@aol.com or (703) 284-5945. We look forward to another successful doctoral consortium in 2007!
