

Can our leaders succeed in this global market?

Today, a leader must be highly skilled and innovative. Yet, assessing and developing leaders can be difficult and time consuming.

Aon can help.

We combine remote or in-person assessments with our award-winning web-based simulations to help you define success—in your terms. Our *LEADeR™* program assesses capabilities and potential using real-time “day in the life” situations. *LEADeR™* has helped clients reduce administration costs by 50%, while enhancing the breadth of competency measurement. With Aon, your leaders will spend less time in assessment, more time making decisions.

With 500 offices and 46,000 professionals in the United States and abroad, Aon is one of the world's leading providers of risk management, insurance and reinsurance brokerage, and human capital consulting services.
