

# Leadership Development Assessments

## COMPELLING FEEDBACK THAT STIMULATES INSIGHT AND ACTION LIKE NO OTHER LEADERSHIP ASSESSMENT

- Multi-rater Assessment for Executives, Managers and Individual Contributors
- Scientifically-based model of personality
- Used by organizations, consultants, University executive education programs
- Validated model of leadership benchmarked against a large normative database
- Rich, in-depth narrative feedback reports
- Web-based administration, rater-tracking and reporting
- Automated follow-up surveys to track behavior change
- Consulting Services for high-impact programs and to train internal coaches

### Empirically Grounded High Performance Leadership Profile
