

ORGANIZATIONAL SCIENCE | UNC CHARLOTTE

Graduate Admissions Deadline: January 15, 2010

Funding and Resources Package

- Academic year graduate assistantships pay \$14,000. Tuition remission and health insurance included. Summer funding available.
- Students receive generous travel and research funding each year.
- Students in good standing continue to receive funding for up to 5 years.
- Fellowships allocated each year.

Research and Practice Opportunities

- Students are encouraged to work with any number of our 14 dedicated program faculty members on research. We also have 10 affiliate faculty members.
- Students provided with a host of practice opportunities through our Organizational Science Consulting and Research Unit. Local internships are common.

Current Students

- We have 20 full-time students that come from around the world with all types of disciplinary and educational backgrounds. Our student body is very bright, diverse, supportive, and highly engaged in the program.

Curriculum

- We have a comprehensive curriculum covering micro to macro Organizational Science topics and providing training in qualitative as well as quantitative research design. Given that we are an integrated interdisciplinary program, students learn a wide range of diverse perspectives on organizational topics.
- A short-term doctoral student study abroad program is being developed.

Location

- The university is located in beautiful Charlotte, North Carolina, a vibrant, green, growing, and diverse community that offers excellent internship and career opportunities in academia, industry, government, and consulting.
