

Do you resell pre-employment tests? We can help you be successful!

"Our success would not have been possible without Resource Associates. Their 20 years of field experience and expertise is what separates them from the competition."

- Exemplar Research Group

As a reselling partner of Resource Associates pre-employment assessment tests, you will enjoy our willingness to adapt to the demands of your clients, and the flexibility to:

- 1 add unique test features to suit your clients' application
- 2 customize reports and materials to look like your own
- 3 choose from over 100 job specific assessments, online
- 4 customize pricing to fit your business needs
- 5 combine personality and aptitude tests into one

✓ Resource Associates is a boutique firm of test developers and testing service providers. We offer over 20 years of validated selection test research and over 100 technical reports and peer-reviewed journal articles to provide the validation framework and psychometric foundation of our tests.
