Building Better Organizations

- ◆ Recruit people that best fit your organization.
- ◆ Hire better people.
- ◆ Retain the best people.
- ◆ Develop fair, legal, and efficient hiring practices.
- ◆ Improve the skills of the people you already have.
- ◆ Create a diverse, qualified workforce.
- ◆ Develop performance management systems.
- ◆ Minimize absenteeism.
- ◆ Eliminate harassment and discrimination.
- ◆ Foster a team environment.
- ◆ Increase motivation and dedication.

An I-O psychologist can help you with staffing, workforce development, and workplace climate issues.
