

What Is SIOP?

Our mission is to enhance human well-being and performance in organizational and work settings by promoting the science, practice, and teaching of industrial-organizational (I-O) psychology.

As the premier professional association dedicated to advancing the field of I-O psychology, we have an annual membership of nearly 9,000 people worldwide who understand the value of a SIOP membership to their career and educational pursuits.

I value my membership in SIOP...having the opportunity to interact and network with colleagues at conferences, to further the growth of our profession through committee work, and to stay up to date on new research, practice, and emerging issues and trends. SIOP serves a very valuable role in my professional practice.

Why Should I Join SIOP?

What value does SIOOP membership provide?

There's no better organization out there for people in our field. SIOOP is a wonderfully collegial environment and its Annual Conference is one of the most energizing events of my entire year.
