Diversity, Equity, and Inclusion

Diversity Climate Survey Results Now Available

In 2019, the Committee for Ethnic and Minority Affairs (CEMA), the Women's Inclusion Network (WIN), and the LGBTQIA+ Committee began collaborating on a diversity climate survey to determine perceptions of inclusion among the SIOP membership; results are now available.

Research Briefing

How Use of Racially Stigmatizing Labels Hurts Employees

Welcome to our Research Briefing column, where we periodically highlight summaries of research curated by I-O psychology field contributors. In this post, we will look at “Words that Hurt: Leaders’ Use of Anti-Asian American Communication and Employee Outcomes,” as reviewed by Josie Anker for I/O At Work.
