Organization and Project Information

Each response section is limited so please refer to the character limits (with spaces) listed with each section.
The font size will adjust to allow you to view all the text that has been entered. Entries over the character limits will be truncated.

2. Provide a brief overview of the organization and its business or mission. (3500 characters incl. spaces)

3. Explain the business challenges being addressed. (6000 characters incl. spaces)

4. Explain the specific HRM practice or initiative being submitted for consideration and how it was developed and implemented. Provide timeframe & location of development or implementation of practice or initiative (within the last 5 years). (6000 characters incl. spaces)

5. Explain the evidentiary basis for this initiative or practice (e.g. theoretical framework, research studies, methodology for developing the practice, etc.). (6000 characters incl. spaces)

6. Provide evidence regarding the success and magnitude of the impact the practice or initiative has had on (a) finances/operations, (b) people, and (c) science. (6000 characters incl. spaces)

7. Please provide any additional information you feel is relevant to the award. (6000 characters incl. spaces)

8. Please provide any relevant web links from the other sections here. Note: Links must be cut and pasted from Word into this text box so they are active (clickable) for the reviewers. (4000 characters incl. spaces)
