

Paper Titles

In the section titled “**Paper Titles/Authors (Symposium/Alternative Session)**” within the Documents tab of the submission site you should provide a list of the paper titles and authors for your session if applicable.

NOTE – This is only relevant for Symposium and Alternative sessions that have multiple papers associated with them. This is not relevant for Alternative sessions or other sessions that do not have separate papers being presented.

Please enter information into the field using the format from the sample Symposium session below:

- (1) Experience Sampling Methods Applied to Affective Spin and Pulse (Chandler & Diefendorff)
- (2) Physiological Reactions to Affective Experience (Dimotakis, Goo & Ilies)
- (3) Ability Emotional Intelligence Moderates Cortisol Stress Reactions to Cyber-Ostracism (King & Ashkanasy)
- (4) Utilizing Continuous Rating Assessments to Measure Workplace Emotions (Gabriel & Diefendorff)
- (5) Multifoci Justice and Emotional Labor in Unionized Contexts (Thornton, Bielski-Boris & Rupp)
