

**SIOP endorses  
Rodney L. Lowman for  
APA Board of Directors (Slate 2)**

Dr. Rodney Lowman is President of Lowman & Richardson Consulting Psychologists, PC, Visiting Professor, Dept. of Industrial Psychology and People Management, U. of Johannesburg, and Distinguished Professor Emeritus, CSPP/Alliant International U. SIOP endorses his candidacy for Member-at-Large on APA's Board of Directors due to his extensive leadership and service to psychology. His many roles in APA and applied psychology include:

- Current member of APA Council of Representatives (also served 2 past terms on Council)
- Inaugural Chair of APA Council Leadership Team and on the CEO's Strategic Advisory Committee
- Past chair of three APA Boards/Committees: Board of Professional Affairs, Board of Convention Affairs, and the Committee on Professional Practice and Standards
- Past member of APA committees and task forces, including: Committee on Psychological Tests & Assessment, Ethics Committee, Ethics Code Task Force
- Fellow in seven APA Divisions (1, 10, 12, 13, 14, 17, and 52)
- Long-time educator including at U. Michigan/ISR, Duke U. Medical School, U. of North Texas, and Alliant/CSPP
- Extensive administrative experience as department chair, dean, provost, and president and acting president of two universities
- Consultant to public, private, nonprofit, and international organizations

Dr. Lowman recognizes that APA and the field of psychology are facing unprecedented challenges (e.g., downsizing in government and academia, research funding cuts, health care service cuts). If elected to the board, Dr. Lowman would work for all psychologists, defending our profession, promoting our science, and standing firm in our values. He brings experience, steadiness, and a long-standing commitment to psychology and APA.

**Please note** that there are 2 slates for Member-at-Large positions. SIOP's endorsement of Dr. Fred Oswald and Dr. Rodney Lowman do not conflict – they are on different slates. The election will take place **August 1 – September 15**. Please vote in this election and endorse candidates who will support applied psychology! Eligible voters will receive a personalized ballot from [elections@apa.org](mailto:elections@apa.org).
