## IF YOUR ORGANIZATION IS PRESENTING

- > **30–45 minutes total** — a 15–30 minute spotlight plus an optional 15 minute Q&A and networking.
- > **Global reach** — outreach across 20+ work and organizational psychology societies, roughly 40,000+ members.
- > **Recruiting is Optional.** Share your work and advice whether or not you are hiring.
- > **Can't join live?** Contribute written advice for the Career Handbook.

## THE AUDIENCE

- > **Current Graduate Students**
- > **Early-career Professionals & Emerging Talent**
- > **Experienced I-O Practitioners**
- > **Researchers and Faculty**
- > **HR, People Analytics, and Assessment Teams**
- > **I-O Society Members from 20+ Countries**

The 2025 G-WOP Conference drew **2,300+ registrants** from several dozen countries. Not everyone attending is job-hunting and those who attend to understand the field are welcomed.

## IF YOU ARE ATTENDING

- > **Employer Spotlights** — see how organizations apply I-O psychology, people analytics, assessment, and organizational development to real projects.
- > **Add On Sessions** — early-career employability, mentoring from both sides, and applied work with overlooked workforces.
- > **Career paths** that aren't called "I-O psychologist" and the roles, teams, and routes people actually take.
- > **Q&A** — ask participating employers questions directly with optional Q&A and networking following each spotlight.

### Confirmed Participating Organizations

42courses · Geigsen Group · HP · Lumina Learning  
NASA · SHL · Thoughtium · USAA · Qualtrics

\*\*\*Organizations actively recruiting will be identified separately once confirmed.

## DIGITAL LIBRARY

Can't attend everything? Sessions will be recorded, where presenters give permission, and added to a digital library.

## CAREER HANDBOOK

Insights from the showcases are synthesized into a published handbook bridging what employers look for and what candidates should prioritize.

## LUMINA SPARK ASSESSMENTS

Registrants get free access to the **Lumina Spark** and **Lumina Emotion** questionnaires and walk into the session with their own results. Lumina Learning holds all data; Anonymized group insights will be used.

COMPLETE BY 3 SEPT · 23:59 UTC
