SCIENCE FOR A SMARTER WORKPLACE

Welcome to SIOP Membership!

The Society for Industrial and Organizational Psychology, Inc. is the premier professional association for practitioners, educators, researchers, and students in the field of industrial-organizational psychology.

We have an annual membership of over 9,000 people worldwide and are pleased to welcome *you* into our organization.

Please read these slides to learn how to take full advantage of your SIOP membership investment. Thank you for joining!

Your Membership Benefits

The three main benefit areas for SIOP members are:

Knowledge: We keep you apprised of the latest issues facing the profession with publications and other resources.

Connection: We create networking opportunities to help you expand your reach and contacts in the I-O field.

Investment: We make furthering your I-O career and education more affordable through discounts and funding opportunities.

Membership Benefit: Knowledge

SIOP membership includes free subscriptions to:

[Industrial and Organizational Psychology](#): *Perspectives on Science and Practice (IOP)*, the official quarterly journal of I-O psychology

[The Industrial-Organizational Psychologist \(TIP\)](#), our digital, quarterly news publication

[The Source](#), our weekly e-newsletter with SIOP news and content from I-O and related fields

We also provide an affordable subscription opportunity to:

[SIOP Research Gateway \(SRG\)](#) which includes three EBSCO databases, offering thousands of articles published in leading psychology and business journals

Membership Benefit: Connection

In person: *SIOF holds [two annual meetings](#) that bring members together.*

The [Annual Conference](#) gathers over 5000 attendees to network and share research across the breadth of I-O issues

The [Leading Edge Consortium](#) features a limited group of attendees who learn about and discuss a focal topic

[Local I-O groups](#) may already be meeting in your area, or you can start a group yourself!

In the cloud: *SIOF offers online services and digital media, making us a 24/7-member resource.*

The members-only [membership directory](#) contains member biographies, contact information and interest areas, enabling members to network with collaborators and mentors.

SIOF engages with members on social media:

Membership Benefit: Investment

Our History

The current Society for Industrial and Organizational Psychology, Inc. can trace its roots to the founding of the American Psychological Association (APA) in 1892.

Nearly one hundred years later, in 1982, Division 14 of the APA incorporated as the Society for Industrial and Organizational Psychology, Inc. (SIOP).

SIOP continues to represent as Division 14 of the APA and is also an organizational affiliate of the Association for Psychological Science (APS) but is an autonomous organization. It is a single, international organization without regional, state, local, or student chapters.

Governance

SIOP is governed by an elected Executive Board.

Additionally, numerous committees exist to carry out the directives of the Executive Board.

SIOP members fill the Executive Board, Committee Chair, and committee member leadership roles on a volunteer basis. Serving on a SIOP committee helps the organization move forward and is also an excellent opportunity to enhance your workplace skills.

Administrative Management

The daily activities of SIO P are managed by the 13 members of SIO P Staff. SIO P Staff work virtually and also maintain a physical office in Ohio.

We pride ourselves on providing excellent member service and doing a lot with a little, so as to keep your member dues low and our other services affordable. Please let us know if we can be of help!
